Cruise return times are approximate and depend on weather and wave conditions and our ability to land at any island.

**Tickets:** Upon purchasing tickets on our website you can choose to print a confirmation and pick up your boarding passes at Apostle Islands Cruises ticket office on the Bayfield City Dock or choose to print them at home or have them delivered to a mobile phone. All cruises board 1/2 hour prior to departure & seating is first come first served. Keeper of the Light and Apostle Islands Cruises are open daily at 8:00 a.m. from mid May to mid October. Keeper of the Light is open all year! Both businesses are located at Rittenhouse Ave & Front St.

**Ticket Prices:** Adult price is for those 13 years of age & older, child price is for children 6 to 12 years old, and children 5 years old & younger are \$1.00 on all cruises. 6% sales tax is applied at the time of sale.

-Advance ticket purchase highly recommended. ISLAND PRINCESS, SUPERIOR PRINCESS & ASHLAND BAY EXPRESS have limited Top Deck capacities regulated by the U.S. Coast Guard. Seating is first come - first served.

**Weather / Refunds / Return Times:** Cruises run in the rain - lower decks of cruise boats are enclosed. Trip routing and docking at any island is wind & weather dependent.

-Cruises canceled by Apostle Islands Cruises prior to departure will be refunded.

-Cruise tickets purchased in advance are refundable up to 48 hours prior to cruise departure.

-Cruises departing to Raspberry or Michigan Island that are unable to dock will result in a refund of 1/3 of the ticket price. No refunds will be issued for the Sand Island Hike, Devils Island Excursion or Outer Island Voyage if conditions prohibit docking due to distance and difficulty landing at these islands.

-Scheduled cruise return times are approximate. Return times vary due to lake conditions, number of passengers and time spent on the island.

-Cruise & event schedule subject to change.

**Cruise Boats:** All cruise boats are diesel powered vessels, equipped with radar, sonar and all required safety equipment, and are inspected annually by the U.S. Coast Guard. Our Captains are experienced with thousands of miles of safe piloting, and licensed by the U.S. Coast Guard. Courteous crew members will assist to make your Lake Superior-Apostle Islands experience memorable. Bring your camera for countless photo opportunities, including scenic vistas, wildlife and lighthouses!

-For your comfort, all cruise boats have clean restrooms, snacks and beverages. You are encouraged to pack a picnic lunch and bring it with you on any of our cruises.

-Lower decks of cruise boats are handicapped accessible and can accommodate up to 28" wide non-motorized wheelchairs.

-For the comfort and safety of all passengers no pets are allowed on cruise vessels. Passengers requiring service animals must show certification prior to and upon boarding.

**Important:** One thing we would like you to understand is our decision to go or not to go on any trip to the lighthouses. We have made a commitment to make exceptional efforts to get you to our lighthouses. Our event does not take place in a controlled indoor environment. The limitation we work under is weather, wind and wave conditions. Lighthouses are placed in exposed areas on open waters. This is Lake Superior, the largest lake in the world, and occasionally, weather prohibits a safe landing. Captains will do their job, and decide on what constitutes a safe cruise and / or a safe landing.

**Apostle Islands Cruises** is authorized by the National Park Service and the Department of Interior to serve the public within Apostle Islands National Lakeshore.

**The Homeland Security Act of 2002** may require screening/examination of persons, baggage and carry-on items for the protection of the vessel, its passengers and crew.
